with **Preventive**

Inspections

**Preventive Pest Control has a team of
specialized wood insect inspectors.**

They do more than just inspect. With their in-depth knowledge of insect biology and behavior, our inspectors will provide you with detailed diagrams and a report that includes remediation recommendations to help your client make a more informed buying decision.

One-Year Inspection Guarantee

We provide a **one-year inspection protection guarantee** on all qualified homes. **If wood pests show up within the first year, we take care of it. Period.**

Agents: A Gift for Your Client, the New Homeowner

Each completed wood pest inspection will come with a **FREE GIFT CERTIFICATE** for one General Household Pest Service that you may present to your client as **a gift from you.**

*A \$149 value. Some restrictions may apply.
